Nazareth Farm is a community of volunteers inspired by the Gospels, focused on prayer, community, simplicity and service. We are devoted to developing relationships and eliminating sub-standard housing through home repair in rural West Virginia.

Dear Applicant,

Nazareth Farm has been working to improve the housing conditions of Doddridge, Ritchie, Harrison and Tyler County residents for the past 40 years. Thank you for your interest in our program. Nazareth Farm works on the following principles for qualified applicants:

1. Nazareth Farm expects recipients of services to pay for the cost of materials. Typically, no-interest material loans are arranged and paid back monthly.
2. There is no charge for labor used on the project since all workers are volunteers. The only exception is when specialized labor (i.e. plumber or electrician) is hired in rare instances. Such labor would only be hired with the approval of the applicant.
3. Nazareth Farm works solely with low-income individuals and families.
4. Nazareth Farm expects the approved applicant's family to help with construction and repair of the home if possible. We want to help people help themselves and we feel the best way to do this is by working together.
5. Nazareth Farm will provide a detailed material invoice at the completion of the project.

In order to complete a project, Nazareth Farm uses high school, college, and adult aged volunteers from Catholic churches and schools across the country. One of our trained staff members will lead the volunteers during the project.

Please complete the application and return it in the enclosed envelope. Please be as specific as possible when describing the work, you wish to have completed.

A representative of Nazareth Farm will evaluate your project in person before a final decision is made about your application. Every attempt will be made to complete this evaluation within two-three month of receiving your completed application.

Thank you,
The Nazareth Farm Staff
